The third part, finally, contains technical data that truly deals primarily with the extracting speech acts from historical corpus. Speech Acts in the History of English - Andreas H. Jucker - 2008-04-10 Did earlier speakers of English use the same speech acts that we use today or did they use them in the same way? How do they signal speech act terms and how did they negotiate them in case of uncertainty? These are some of the questions that are addressed in this volume in innovative case studies that cover a wide range of speech acts from Old English to Present-day English. All the studies offer careful discussions of methodological, theoretical issues as well as detailed descriptions of specific speech acts. The first part of the volume is devoted to divining and communicating messages (as distinct from commands and promises). The second part is devoted to people interacting with each other in a social and communicative way. The third part, finally, contains technical data that truly deals primarily with the extracting speech acts from historical corpus.

Companion to Heidegger's Contributions to Philosophy - Charles E. Scott - 2001

The publication of the first English translation of Martin Heidegger's Beiträge zur Philosophie (Vom Erscheinen) marked a significant event for Heidegger studies. Considered by scholars to be Heidegger's most important work in the early 1920's, this essay is the first to present a complete and comprehensive overview of Heidegger's philosophical corpus. Contributors include Walter A. Brogan, David Crowfield, Evan Emad, Günter Fidal, Kenneth Maly, William McNeill, Richard Polt, John Sallis, Susan Schoenhofer, Charles E. Scott, Dennis J. Schmitt, Alejandro Vallega, Daniela Vallega-Neu, and Friedrich-Wilhelm von Herrmann.

The Modernization of China's State Governance - Angang Hu - 2017-02-21

This book elaborates on how China's previous leaders established, consolidated, developed and improved China's basic state-governance system. It also analyzes and discusses to what extent China's state-governance system is scientifically and scientifically effective, and evaluates and promotes the modernization of China's state-governance and its capacity. Using detailed and accurate data and extensive background information, this book analyzes the change in history and future perspectives of the relationship between China's government and the market, state-owned economy and private economy. Covering an extensive timespan, this comprehensive book includes contributions from Chinese scholars specialized in contemporary China studies discussing the major breakthroughs and decision-making considerations in Chinese development strategies. It also offers insights into the research mechanism and development levels of Chinese think tanks based on research institutes. Last but not least, it sheds light on the democratic advances in the Chinese decision-making process.

Handbook of Research on Science Education - Sandra K. Abell - 2013-03-07

This state-of-the-art research handbook provides a comprehensive, coherent, current synthesis of the empirical and theoretical research concerning teaching and learning in science and lays down a foundation upon which future research can be built. The contributors, all leading experts in their research areas, represent the international and gender diversity that exists in the science education research community. As a whole, the Handbook of Research on Science Education demonstrates that science education is alive and well and illustrates it as a vital resource for the entire science education community, including veteran and emerging researchers, university faculty, graduate students, practitioners in the schools, and science education professionals outside of universities. The National Association for Research in Science Teaching (NARST) and Lawrence Press are privileged to publish this landmark book. This state-of-the-art research handbook contains a complete list of all the dramatic performances from 1788 to 1801. Also a continuation of the Notitia Dramatica To which is added, a Complete List of Plays, the earliest date, size, and author's names, to 1801. The whole arranged, &c., by W. C. & M. S. notes.
