Jamaica. The heady altitudes and balmy climate of the Caribbean makes for some seriously special single origin coffees - the luxurious, subtle and lightly roasted coffee of the Jamacian Blue Mountains has rightly earned its reputation as one of the world's smoothest brews.

Burr mill - Wikipedia
A burr mill, or burr grinder, is a mill used to grind hard, small food products between two revolving abrasive surfaces separated by a distance usually set by the user. When the two surfaces are set far apart, the resulting ground material is coarser, and when the two surfaces are set closer together, the resulting ground material is finer and smaller.

Ten Ways to Fight Hate: A Community Response Guide
Aug 14, 2017 · Hate usually doesn’t strike communities from some distant place. It often begins at home, breeding silently under the surface. It can grow out of divided communities — communities where residents feel powerless or voiceless, communities where differences cause fear instead of celebration. The best cure for hate is a united community.
