A Basic Guide to Eschatology Millard J. Erickson 1998-12-01 A leading evangelical theologian provides a comprehensive examination of the various evangelical views of the millennium (and other eschatological subjects).

What Shall We Say? Millard J. Erickson 2009 There are few beliefs more essential to Christianity than that of the Trinity. Millard Erickson seeks to provide a lucid and judicious answer to the question: Is Jesus eternally subordinate to the Father, or is Jesus equal with the Father? In addition to providing rigorous theological analysis, Erickson exposes flaws in familial implications derived from the Trinity. This increasingly debated topic has finally received a thorough, careful, and objective treatment.

Systematic Theology Louis Berkhof 1996-09-24 This new printing of Louis Berkhof’s classic Systematic Theology represents a publishing landmark. For the first time in its long and acclaimed history, Berkhof’s monumental treatment of the doctrines of the Reformed faith is now available together in one volume with Introduction to the Study of Systematic Theology, Berkhof’s formal prolegomenon to his theology. Meant to be read together with Systematic Theology, the Introduction includes Berkhof’s discussions of the nature and character of dogmatics, the methods and history of theological system, and the principia, or foundations, of theology - Scripture and God. This edition also includes a new preface by Richard A. Muller that explains both the publishing history and the relation and importance of the Introduction to the rest of Berkhof’s text. Written in a concise and compact style and organized in a manner ideal for detailed study, Systematic Theology covers the full range of theology in traditional systematic fashion - examining, in order, the doctrines of God, anthropology, Christology, soteriology, ecclesiology, and eschatology. The work also includes an extensive bibliography and full indexes to the authors, subjects, and Scriptures referenced in the text. Revised and enlarged throughout his lifetime until it reached its present final form, Systematic Theology not only stands as Berkhof’s magnum opus but also is widely considered to be the most important twentieth-century compendium of Reformed theology.

Truth or Consequences Millard J. Erickson 2009-09-20 A 2002 Christianity Today Book of the Year! Postmodernism. The term slowly filtered into our vocabularies about three decades ago and now permeates most discussions of the humanities. Those who tout the promises and perils of this twentieth-century intellectual movement have filled many a bookshelf. And in a previous book, Postmodernizing the Faith: Evangelical Responses to the Challenge of Postmodernism, Millard J. Erickson provided his own summary of several evangelical responses—both positive and negative—to the movement. Now in this book Erickson offers his own promised-in-depth analysis of constructive response. What are the intellectual roots of postmodernism? Who are its most prominent exponents? What can we learn from their critique of modernism? Where do their assumptions and analyses fail us? Where do we go from here? What might a post- postmodern church look like? Erickson addresses these issues with characteristic discernment, clarity and even-handedness, neither dismissing the insights of postmodern thought nor succumbing uncturly to its allure. An important book for all who are concerned with commending Christian truth to the culture within which we live.

The Concise Dictionary of Christian Theology (Revised Edition) Millard J. Erickson 2001-09-04 The result of over a decade of research, this dictionary includes biographies from the past fifteen years, with an emphasis on the historical figures and movements of the first nineteen centuries of Christianity. The Person of Christ Murray Rae 2005-10-01 Understanding the Person of Christ affects our understanding of all Christian theology. All ten contributors to this volume share a commitment to the orthodox theological tradition in Christology as expressed in the creedal heritage of the Christian church, and seek to explicate the continuing coherence and importance of that theological tradition. The book’s ten essays cover such topics as preformationism, the incarnation, the person and nature of Christ, the communicatio idiomatum, the baptism of Christ, the redemption of Christ, the assurance of Christ, and New Testament Christology, and offers critical engagements with such diverse theologians as John Calvin, Charles Williams and John Zizioulas. The contributors, all leading academics, include: John Webster, Richard Burridge, Robert Jenson, Stephen Holmes, Douglas Farrow, Brian Horne, Murray, Douglas Knight, Sandra Fach, Christoph Schwöbel.

Old Wine in New Winekins Millard J. Erickson 1997 ‘For those wrestling with the task of how to communicate God’s truth to a self-centered, sound-bites generation that has lost confidence in the very notion of truth, this may be just the book to turn to. The authors have done an excellent job of understanding the challenges and offering usable instruction on how to meet it. This book is recommended reading for preachers of the Bible as we launch out into a new millennium.’-Duane Litfin

What Does God Know and When Does He Know It? Millard J. Erickson 2009-08-30 Does God know the future? Or is the future unknowable to even God? Open theists believe the search for biblical answers will spark a new Revolution. Are they right? Arguing that God interacts with his creatures spontaneously, the controversial new movement known as “open theism” has called classic church theology up for reexamination. Confronting this view, classic theists maintain that God has complete foreknowledge and that open-thesists arguments are unorthodox. Each view has implications for our vision of the future and of God’s dealings with humanity.

How Shall They be Saved? Millard J. Erickson 1996-01-01 Part 1 delineates the array of positions — including liberal, Catholic, and Protestant stances — taken on the destiny of the unevangelized. In part 2 the author probes the critical issues, including the role of general revelation, the possibility of salvation after death, the requirements of salvation, the number of the redeemed, and the problem of annihilationism. At the final part, Erickson tackles two practical areas: (1) the fate of those who die in infancy and others who do not reach the age of accountability and (2) how the subject of the destiny of the unevangelized affects evangelism and missions.
