Reflections on Chapter 2 of Mary Wollstonecraft’s A
Oct 30, 2005 · Arguably, Mary Wollstonecraft can be as relevant today as she was in 1792 when she wrote A Vindication of the Rights of Woman. Her critique of societal norms and the education of women and children was revolutionary when she wrote it, and it still has the capability to be influential today.

Mary Wollstonecraft — Wikipédia
Mary Wollstonecraft [ˈmæri ˈwʊlstən kɑːf], née le 27 avril 1759 à Spitalfields, un quartier du Grand Londres, et morte le 10 septembre 1797 à Londres, est une maîtresse d’école, femme de lettres, philosophe et féministe anglaise.
