Replenish - Lance Witt - 2011-06-01
Every leader functions on two stages—the front stage or public world, and the back stage or private world. One cannot lead successfully front stage when one is completely depleted back stage. In a time when pastors are leaving the ministry in record numbers due to cynicism, disillusionment, weariness, and personal scandals, there is an urgent need for soul care in the private lives of leaders. Replenish helps leaders focus on the back stage, the interior life, in order to remain spiritually healthy. In a caring, encouraging tone, it will show pastors how to prioritize matters of the soul develop healthy spiritual practices address problems that lead to burnout create a healthy rhythm in their lives improve their people skills and the spiritual climate of their team develop better systems in their churches discover how to lead an unhurried life For the many ministry leaders who feel alone, in their intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us.

The Joy of the Gospel - Pope Francis - 2014-10-07
The perfect gift! A specially priced, beautifully designed hardcover edition of The Joy of the Gospel with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church’s journey in years to come." – Pope Francis This special edition of Pope Francis’s popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for “the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned,” the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God’s Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, The Joy of the Gospel is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of Catholicism: A Journey to the Heart of the Faith and James Martin, SJ, author of Jesus: A Pilgrimage

Becoming a Welcoming Church - Thom S. Rainer - 2018-03-01

Most church members don’t see their churches clearly. In almost all of Thom S. Rainer’s consultations, church members perceive their church to be friendly. But as he surveyed guests, he found that the guests typically saw church members as unfriendly. The perception chasm existed because the members were indeed friendly . . . to one another. The guests felt like they crashed a private party. Bestselling author Thom Rainer (I Am a Church Member, Autopsy of a Deceased Church) has a game plan for churches to become more hospitable. In a format that is suitable for church members to read individually or study together, Rainer guides readers toward a practical framework for making a difference for those who visit their church. Churches may use Becoming a Welcoming Church to assess and audit where they are on a spectrum between welcoming and wanting. Additionally, churches can use the companion book We Want You Here to send guests home with a compelling vision for what pastors want every guest to know when they visit.

Foe’s Book Of Martyrs - John Foxe - 2012

Acts and Monuments by John Foxe, popularly abridged as Foe’s Book of Martyrs, is a celebrated work of church history and marturyology, first published in English in 1563 by John Day. Published early in the reign of Queen Elizabeth I and only five years after the death of the Roman Catholic Queen Mary I, Foe’s Acts and Monuments was an affirmation of the Protestant Reformation in England during a period of religious conflict between Catholics and Protestants. Foe’s account of church history asserted a historical justification that was intended to establish the Church of England as a continuation of the true Christian church rather than as a modern innovation, and it contributed significantly to a nationalistic repudiation of the Roman Catholic Church. The sequence of the work, initially in five books, covered first early Christian martyrs, a brief history of the medieval church, including the Inquisitions, and a history of the Wycliffite or Lollard movement. It then dealt with the reigns of Henry VIII and Edward VI, during which the dispute with Rome had led to the separation of the English Church from papal authority and the issuance of the Book of Common Prayer. The final book treated the reign of Queen Mary and the Marian Persecutions. (courtesy of wikipedia.com)

Purpose Driven Youth Ministry - Doug Fields - 2009-12-15
If you long to reach kids and see their lives changed by God, this comprehensive guide shows you how. Purpose Driven® Youth Ministry will do for youth ministry what Rick Warren's Gold Medallion award-winning, The Purpose Driven® Church is doing for pastoral ministry. It's an indispensable guide to creating and maintaining youth ministry for the long run. It will help you create a solid spiritual team that builds the foundations of the Christian faith into the hearts and lives of young people. Forged around the fundamental purposes of evangelism, discipleship, fellowship, ministry, and worship, Purpose Driven® Youth Ministry uses the experiences of Saddleback Church to illustrate what a healthy Youth ministry can be. Nine transferable principles help you - Connect with the power of God for passionate, committed leadership - Define the purpose of your ministry and communicate it effectively - Identify your potential audience - Create programs that reach your audience and fulfill God's purposes - Implement processes that move students to maturity - Enhance your ministry with clearly defined values - Team up with parents to involve the whole family - Find volunteers and develop them into participating leaders - Persevere through tough times and thrive in an ever-changing environment. Balancing both theory and practice, Purpose Driven® Youth Ministry can be applied to any church setting, regardless of size, denomination, facilities, resources, and existing leadership. Purpose-Driven Youth Ministry will help you develop a ministry that equips students rather than a ministry that coordinates events. Doug Fields says, "My goal for this book is to coach you through a plan to build a healthy youth ministry that isn't dependent on one great youth leader and won't be destroyed when the youth worker leaves the church. It's not a book on how to grow your youth ministry with six easy steps; it's about identifying, establishing, and building health into your church's youth ministry.
