Because of this series' focus on the textual structure of the scriptures, readers will better understand how Paul wrote, comprehended the author's revolutionary goals, and ultimately discover their vital claims upon the church today.

Galatians reveals how Christ changes everything. Matthew S. Harmon traces the argument of Paul’s most polemic letter. In Galatians, Paul defends his authority and attacks his opponents’ arguments—and in both cases, the decisive factor is the Gospel. History and Scripture must be interpreted in light of Christ’s arrival. The new creation has broken in, leaving nothing unaltered. Harmon plumbs Galatians’ theological depth, including its view of sin and exile, apocalyptic antitheses, the Trinity, Isaiah’s servant figure, the law, righteousness, and faithfulness. The Evangelical Biblical Theology Commentary series locates each biblical book within redemptive history and illuminates its unique theological contributions. All EBTC volumes feature informed exegetical treatment of the biblical book and thorough discussion of its most important theological themes in relation to the canon—all in a style that is useful and accessible to students of Scripture.
